Full Job Description

Sink your teeth into something new.

With coworkers you love, technology that eases, and an environment that soothes, we at KDO created an oasis in El Paso.

We're looking for brush buffs, gargle gurus, floss bosses (and novices, too), and anyone who cares about making dentist visits something to savor to join our small and growing team. With our brand new dental office in South Los Angeles, we're building a totally fresh take on oral wellness to a community in need. We don't use papoose boards, Netflix is built into every office and we use innovative techniques to make every child's experience as frictionless as possible.

If this all sounds too good to be true, please don't hesitate to check us out google or Instagram @kidsDentalElPaso; we have over 800 5 star google reviews because we believe in smiling and taking care of our patients

We do not focus on production, we focus on giving the patient and the family an enjoyable visit while providing the best dental care. We do not force treatment.

About the Role:

The mission of the Associate Pedodontist or the super GP role is to lead the clinical treatment of patients and create a unique, customer-centric dental experience to supports the values of our brand

- Lead the clinical diagnosis and appropriate dental treatment of patients
- Assist in creating a unique, customer-focused dental experience for patients
- Lead the dental staff in all areas of clinical treatment and dental practices
- Collaborate with non-clinical functional areas of Finance, People Support, IT, and Reimbursement to maximize the economic opportunities of your practice
- Collaborate with Company resources to hire an experienced dental staff with knowledge of regulatory requirements, clinical practices and a desire to create a patient-focused experience
- Conduct aspirational patient care that creates lifetime patients

- Perform regular cleanings and other preventative procedures with patients and establishing a plan for the patient to have or continue to have better dental hygiene
- Perform dental procedures, such as extractions, filling cavities, correcting bite issues and overcrowding
- Lead office staff to provide high quality communication and care to patients
- NO SATURDAYS

About You:

- DDS, DMS or DD degree is required
- Pediatric certificate
- Current License to practice dentistry in TX
- Valid malpractice insurance
- Minimum of 2 years' clinical experience at a dental practice
- Dedication to ensuring the highest quality of care to patients
- Leadership skills that value collaboration and an inclusive work environment
- Extremely resourceful, highly creative and high energy, able to brainstorm and implement new ideas
- High level of integrity and dependability with a strong sense of urgency and results-orientation
- (Preferred) Experience working with kids and teens
- (Preferred) Bilingual, English and Spanish

Job Types: Full-time, Part-time

Pay: \$800.00 - \$1,500.00 per day
